DESIGN HISTORY PROJECTS

Non Profit Salt Lake Film Festival Desktop & Mobile Redesign, 2022

Mental Health App Case Study, 2022

Mobile App Travel Case Study, 2021

UX/VISUAL DESIGNER Student

Non-Profit Salt Lake Film Festival

Desktop & Mobile Redesign | Salt Lake City, Utah
01/2022 to 03/2022

Utilized research feedback to redesign a non-profit mobile app and website. Fostered collaboration and consistency across teams by working closely with student team, student designers, and University course instructors.

In less than 1 month, designed elegant flows and interactions for desktop and mobile platform that provided a new movie purchasing ticket system.

UX/VISUAL DESIGNER Student

Mental Health App Case Study

Mobile Design | Salt Lake City, UT
01/2020 to 12/2021

Designed and launched a mobile app focused on private mental health counseling from remote virtual electronic video calls.

Personally built relationships and encouraged collaboration across teams to improve mental health awareness.

UX/VISUAL DESIGNER Student

Mobile App Travel Case Study

Mobile Design | Salt Lake City, UT
06/2020 to 12/2020

Designed a useful and elegant digital experience across a travel mobile app for purchasing a travel flight package getaway experience.

Collaborated with other designers to maintain design consistency and coherence across features.
